

# YANA DU PLESSIS: SPRINGBOK COMMUNITY SERVICE PROJECT

---

Dear Craighall Community

My name is Yana du Plessis and I am currently working on my springbok badge at a 1<sup>st</sup> Craighall scout. I am currently working on my community service project which requires for me to identify a need in our community, either a movement, or to create my own and to produce a plan to fulfil this need.

During the Nationwide Lockdown there are many people who do not have the means to provide food for their family. I researched and found an organisation named Eden Angels, who are providing meals and taking care of 140 families (which are also about 400 people). Along with 5 others, I have volunteered to provide meals for 3 families of 6 people every day until the end of the lockdown.

The meals I am planning to make are Macaroni and Cheese, Biryani, Lasagne, veg Burritos and Spaghetti Bolognaise. With the permission of PnP Craighall management I have set up a collection box at their premises on the 18<sup>TH</sup> of April and it would be highly appreciated if you could kindly donate some of the following to us so we may provide the necessary amount of meals to the people who need it.

The following would be highly appreciated:

- Spaghetti
- Macaroni
- Lasagne sheets
- Tastic Rice
- Potatoes
- Onions

Your Generosity is greatly appreciated. For more information on Eden Angels you can visit <https://carla574.wixsite.com/edenangels> , or contact Eden Angels as [info@edenangels.co.za](mailto:info@edenangels.co.za) . For more information about the Craighall scouts movement or my participation therein you can contact:
