

CRAIGPARK “DOMESTIC WATCH”

2021 CRIME PREVENTION MEETINGS

“For evil to triumph, it is only necessary for good men to do nothing”

The biggest problem the police have is lack of information.
Domestics and Gardeners DO know what is going on in our suburb!

POLICE CRIME FACTS:

Where **Domestic Watch** meetings have been implemented in suburbs the crime has been radically reduced.

- Penny Steyn is the co-coordinator, writer and presenter of all crime prevention lessons.
- The CRA is extremely kindly supporting MAD lessons and, whilst they contribute for initial restarting of lessons, Penny requests R50 per person per month for her contribution towards the crime challenge in the suburb.
- **Domestic Watch is not a “course” that begins and ends.** It is an ongoing process involving:
 - teaching crime prevention,
 - keeping abreast of current trends in criminal activity
 - methods of self and household protection against criminals
 - teaching attendees to become informers without becoming implicated
- Employers, Domestics and Gardeners are all welcomed.
- The Police will attend whenever possible to add valuable information & build a relationship with the attendees to increase their confidence.
- Any voluntary assistance will be gratefully accepted.
- **The meeting starts promptly at 12pm, Registration 11h45.** Lesson duration 1 hour.
